Subject: Building Operator Certification
Attachments: BOC_Flyer_7-6-15_NB-PDF.PDF

Good morning,

I wanted to share with you an opportunity you may be interested in.

Lakes Region Community College is offering the nationally recognized **Building Operator Certification** course. I have personally taken this course and have found it very helpful. The cost of the course is \$1480 for the seven classes and **we will cover half of the cost** bringing it down to \$740.

Here is a list of the classes:

Building Operations & Systems
Building Energy Conservation
Lighting Theory & Efficiency
Electrical Systems & Distribution
HVAC Controls & Operation I & II
Indoor Air Quality Theory & Techniques
Energy Management Planning

Check out the attached brochure and let me know if you are interested or would like more information.

Regards,

Bill Johnstone
New Hampshire Electric Cooperative
579 Tenney Mountain Highway
Plymouth, NH 03245

Subject: neck lights

I spoke to the state today in reference to plugging in a generator into the traffic lights at the neck as they are going to be down for a few hours. They adv that box does not have a switch, but if the Town wrote a letter to the state, they most likely would put a generator plug on it.

SIGNATURE CAPTURE

Signature
Name

"The Road Widener provides us with a competitive edge, saving us time, labor and other costs. We can no asphalt, patching, project long driveways with new asphalt by laying down top rock and then black dirt for speeders. This projecting new driveways. We are very happy with this attachment and the industry should have had one long ago."

— Brent Weiss, Owner - Asphalt Associates, Inc.

ROAD WIDENER

THE ROAD WIDENER SKID STEER ATTACHMENT

More Flexible More Portable More Profitable

IDEAL FOR:

- ▣ ROAD PAVERS
- ▣ MUNICIPALITIES
- ▣ LANDSCAPERS
- ▣ CONTRACTORS
- ▣ HIGHWAY DEPARTMENTS
- ▣ ROAD CONSTRUCTION COMPANIES

**A MUST-HAVE FOR EFFICIENCY
AND PRODUCTIVITY!**

THE ROAD WIDENER SKID STEER ATTACHMENT

More Flexible. More Portable. More Profitable.

ROAD WIDENER REDUCES OPERATING COSTS

You'll operate more efficiently with the Road Widener skid steer attachment. It's the most flexible and portable road widening on the market, giving you the most versatile and profitable spreading aggregate attachment to attach your widener.

BIG ON BENEFITS AND FEATURES

The Road Widener is smaller than traditional road wideners. That's big on benefits, efficiency and features.

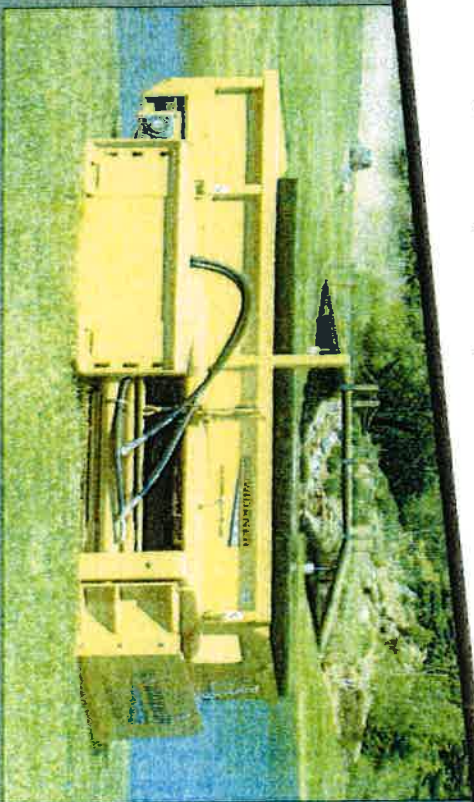

- Easily maneuvered around guardrails, sign posts, mailbox posts and other obstructions
- Easily transported on common-width trailers pulled by a pick-up truck
- Freespace attachment, works on low and high placement of material
- Operates where traditional large road wideners can't go
- Can be used for trench repairs
- Disposes of lot load of aggregate in minutes
- Works with any make of skid steer or track loader with an attachment point
- Mineral retaining excavators available in 11 ft. types of dump trucks
- Avoids maintenance to worn, high stress attachment
- Durable and reliable in give you many years of service

RIGHT FOR SHOULDERING AND TRENCH WORK

The Road Widener reduces your spreading costs and lets you easily shoulder road shoulders, trench walls and paths, as well as eliminate gravel for trench repairs. Low maintenance even use in the toughest terrain.

DESIGNED FOR MANEUVERABILITY

The Road Widener was designed to make it easy for the skid steer to handle the attachment as well as the push the wider during turns.

GET THE ADVANTAGES THESE USERS ENJOY

The Road Widener increases our productivity about 10 times. It saves me two jobs per job. It's so easy to use, you can run it and easily adjust it from inside the cab."

— Mark Thorne, Meco Environmental Inc.

We have used The Road Widener with our skid loaders and it's provided us speed in high volume without having to machine a larger unit.

— Pat Brown, Payne & Dorn Inc.

SPECIFICATIONS

Empty weight: 2,700 pounds
Width: 8' 4"
Length: 10' 4"
Height: 4' 3"

- Shoulders in widths of 1 to 3.5 feet
- Left or right material discharge
- Adjustable slope
- Adjustable material depth
- Variable speed
- Universal mount for all makes of skid steers and compact track mounts
- Hydraulic-driven conveyor belt
- (heavy-duty 10" head and tail pulleys)
- Extensions for use with different types of dump trucks
